

Sakshi Magar

ASP.NET Developer | Web API • C# • SQL • Frontend Technologies

📍 **Nashik, India** | ✉ magarsakshi42@gmail.com | ☎ +91 9834361846 | 🔗 [LinkedIn](#)

PROFESSIONAL SUMMARY

Software Developer experienced in ASP.NET, C#, Web API, and SQL Server. Skilled in building responsive full-stack web applications using HTML, CSS, Bootstrap, and JavaScript. Strong in API integration, database design, and delivering efficient, user-friendly solutions.

TECHNICAL SKILLS

- Programming Languages: C, C#, Core Java
- Frontend: HTML, CSS, Bootstrap, JavaScript
- Backend: ASP.NET, Web API
- Database: SQL Server
- Tools & Technologies: Visual Studio, SQL Server Management Studio

PROFESSIONAL EXPERIENCE

Junior Software Developer | Infinity Techno Solutions (ITS) | 6 Months

- Worked on full-stack web development using ASP.NET, C#, and SQL Server.
- Designed and implemented Web APIs for dynamic data interaction between frontend and backend.
- Developed responsive interfaces using HTML, CSS, Bootstrap, and JavaScript.

On-Job Training (OJT) | Upturn India Technologies | 120 Hrs

- Developed a web application implementing Create, Read, Update, and Delete (CRUD) operations.
- Backend: PHP, MySQL | Frontend: HTML, CSS, JavaScript, Bootstrap.

PROJECTS

E-Agri Marketplace (Harvest Saathi) – ASP.NET Web API, SQL Server

Developed a farmer-to-buyer e-commerce platform enabling direct agricultural trade. Designed dynamic modules for crop listing, pricing, and secure transactions with Web API integration and responsive UI.

Glamoraa – ASP.NET Web API, SQL Server

Built a salon and beauty service software with modules for appointment booking, service catalog, and customer profile management. Integrated database connectivity through Web API for real-time updates and admin dashboard control.

Hospital Management System – ASP.NET Web Forms, C#, SQL Server

Created dashboards for Admin, Doctor, and Patient roles with appointment scheduling and patient record management.

Café Management System – ASP.NET Web Forms, C#, SQL Server

Developed a café operations system featuring product catalog, order placement, and billing. Implemented user authentication, responsive UI, and an admin module to view orders and update their status.

AeroLux Airline Reservation System – ASP.NET Web Forms, C#, SQL Server

Implemented a flight booking system with flight search, seat allocation, and admin control modules using Web API.

Employee Management System – ASP.NET WebForms, C#, SQL Server

Designed an employee records and attendance tracking system with role-based access control and CRUD operations.

EDUCATION

M.Sc. Computer Science | K.K. Wagh College, Nashik (SPPU) | 2024–2025 | CGPA: 8.27

B.Sc. Computer Science | K.K. Wagh College, Nashik (SPPU) | 2022–2023 | CGPA: 8.45

H.S.C. | Vainateya Jr. College of Science, Niphad | 2019–2020 | 61.23%

S.S.C. | Vainateya Vidyalaya, Niphad | 2017–2018 | 88.60%
