Hyderabad, Telangana | Contact: +91 9705875847 | Email: kodalisai889@gmail.com | [LinkedIn](#)

Professional Summary

Proactive Java Backend / Full Stack Developer skilled in Java, Spring Boot, REST APIs, and relational databases. Experienced in building end-to-end web applications using React. Seeking an entry-level role to apply technical skills and grow in a collaborative development environment.

Education

Master of Science in Computer Science, Krishna University, Vijayawada — 2023

CGPA: 7.46/10

Technical Skills

- **Languages:** Java, JavaScript, SQL
 - **Frameworks & Backend:** Spring Boot, Spring MVC, Hibernate, JPA, Servlets
 - **Frontend:** ReactJS, HTML, CSS, JSON
 - **Databases & Cloud:** MySQL, Oracle, AWS (EC2, S3),
 - **Microservices & APIs:** REST APIs, Microservices Architecture
 - **Tools & OS:** GitHub, Maven, Eclipse, VS Code, Postman, Docker, Windows, Linux
 - **Concept & Design:** OOP, Data Structures & Algorithms, SOLID, Exception Handling
-

Projects

Payment Gateway System | June 2025 - Aug 2025 | [GitHub](#)

Web Development Project

- Developed a full-stack payment gateway with Spring Boot backend and React.js frontend, integrated with MySQL.
- Implemented secure user authentication, payment processing, and transaction handling using Spring Security.
- Tested REST APIs with Postman and managed version control using Git.
- **Tech Stack:** Java, Spring Boot, Spring Security, REST APIs, React.js, MySQL

Secure Banking Application | Mar 2025 - April 2025 | [GitHub](#)

Backend Project

- Designed and implemented backend APIs for account management, balance inquiry, and transaction validation using Spring Boot and REST APIs.
 - Integrated MySQL database for secure data persistence and implemented JWT authentication for user sessions.
 - Added Spring Mail functionality to notify users about transactions.
 - **Tech Stack:** Java, Spring Boot, JWT, REST APIs, MySQL, Spring Mail
-

Certifications

- Spring Boot & Microservices — Ni-Technologies, Nov 2024
 - IBM Cloud Essentials — IBM, Feb 2023
 - AWS Academy Graduate: Cloud Foundations, Nov 2022
-

Strengths

- Strong in Problem solving •Excellent communication and teamwork •Analytical mindset with attention to detail
