EXPERIENCE LETTER

TO WHOM IT MAY CONCERN

This is to certify that **Laxman** has successfully completed a **6-month internship** as a **Web Developer Intern** at **QASSERT IT Solutions Pvt. Ltd.** from **3rd February 2025** to **25th July 2025**.

During his internship tenure, Laxman worked primarily on **front-end development** with a strong focus on **React.js**. His responsibilities included:

- Developing responsive and user-friendly UI components using React.js, JavaScript, HTML, and CSS
- Implementing reusable front-end modules aligned with best coding practices
- Integrating API responses and handling front-end state management
- Collaborating with design and development teams to refine UI/UX workflows
- Debugging, testing, and optimizing front-end performance
- Participating in code reviews and following Git/GitHub version control standards

Laxman demonstrated a strong willingness to learn, good technical grasp, and a professional attitude throughout the internship. His contribution to the team has been appreciated.

For QASSERT IT Solutions Pvt. Ltd.
