## SKILLS

- **Programming Languages:** Python, JavaScript
- **Web Technologies:** React, NodeJS, Express, JavaScript, HTML, CSS
- **Database Systems:** MySQL, SQLite
- **Hosting sites:** Vercel, Render, Netlify
- **Version Control:** GitHub
- **Other Tools & Technologies:** API Testing, Data Analytics, Express(node), Flexbox, Git, JIRA, Linux, MongoDB, OOPs, Redux, User Interface (UI) Design, UX design, WordPress

## WORK EXPERIENCE

### Qayu Digital

Associate Full Stack Developer

July 2025 - Present

Dubai

- **Delivered 3+ websites**, including a feature-rich **e-commerce platform**, improving client digital presence and sales capability.
- **Engineered and managed e-commerce products**, optimized **database performance**, and developed responsive **frontend and backend solutions**, ensuring seamless user experience.
- **Coordinated daily with cross-functional teams** (frontend, backend, and creative) to streamline workflows and accelerate delivery timelines.
- **Independently built and launched 3 websites from scratch within 1 month**, demonstrating strong ownership, technical expertise, and ability to deliver under pressure.

### Finance Shastra

Associate Full Stack Developer

Nov 2024 - June 2025

Pune, India

- Develop secure and scalable RESTful APIs using **Node.js** and **Express.js**, including full authentication flows
- Manage and optimize relational databases using **MySQL Workbench**
- Integrate backend APIs with frontend applications to ensure seamless functionality
- Collaborate closely with teammates on daily development tasks and problem-solving
- Maintain clean, efficient code and follow best practices for full stack development

## PROJECTS

### Jobby App:

Tools: [React JS, JS, CSS, Bootstrap, Routing, REST API Calls, Local Storage, JWT Token, Authorization, Authentication]

[\[🔗\]\[Demo\]](#)

- Developed a comprehensive job search solution, Jobby App.
- Designed pages for Login, Home, Jobs, and Job item details with React components and form inputs.
- Secured user data with JWT tokens, REST API calls, and local storage.
- Implemented protected routes and persisted login state with React Router and local storage.

### Tasty Kitchens (Swiggy/Zomato Clone):

Tools: [HTML, CSS, JavaScript, React JS, Bootstrap, React Slick, Figma, client storage.]

[\[🔗\]\[Demo\]](#)

- Built a user-friendly Online Food Ordering System resembling Swiggy/Zomato, allowing users to browse popular restaurants, view detailed restaurant information, add or remove items from their cart, and complete payments.
- Created separate routes for functionalities like login, main page, specific restaurant information, and shopping cart using React Router components (Route, Switch, Link).
- Implemented a seamless horizontal scrolling feature (carousel images) on the main page using the React Slick third-party library.

- Designed attractive and precise React components by adhering to Figma mockups and incorporating REST APIs for popular restaurants and restaurant details.
- **Money Manager :**  
*Tools: [HTML, CSS, JavaScript, React JS, Figma, client storage.]* [\[🔗\]\[Demo\]](#)
  - Showcases a personal finance management application.
  - This application enables users to monitor their income and expenses, providing a clear overview of their financial status.
  - The app dynamically calculates and displays the total balance, total income, and total expenses based on the transactions entered.
  - A list of all transactions is maintained, allowing users to review and manage their financial activities.
  - Users have the option to delete individual transactions, with the financial summary updating accordingly.

**EDUCATION**

• <b>Nxtwave Disruptive Technologies</b> <i>Industry Ready Certification in Full-stack Development</i>	<i>Aug 2023 - July 2024</i> Hyderabad, India
• <b>Matrusri Engineering College</b> <i>Bachelor of Engineering - Civil Engineering</i>	<i>July 2018 - June 2022</i> Hyderabad, India

**CERTIFICATIONS**

- **Programming Languages:** Python, JavaScript
- **Web Technologies:** React, NodeJS, Express, JavaScript, HTML, CSS
