## Career Objective

---

Eager to apply my problem-solving abilities and development expertise in a dynamic professional setting, contributing to innovative solutions and ongoing improvement efforts. Seeking a role that challenges my analytical thinking and technical proficiency, driving organizational growth and long-term success.

## Education

---

### St Martins Engineering College

2022 – 2026

BTech in Computer Science and Engineering AI&ML – GPA : 8.6

Hyderabad, Telangana

### Sri Kakatiya Junior College

2020 – 2022

MPC – GPA : 9.2

Nizamabad, Telangana

### Zilla Parishad High School

2020

Secondary School Certificate – GPA : 10

## Experience

---

### Infosys Springboard

May 2024 – July 2024

Java Intern

- \* Developed a Flight Management System using Spring Boot, Java, and MySQL with features like flight search, booking, updates, cancellation, and passenger management.
- \* Created an Admin Panel to manage schedules, fares, and seat allocation, automating database operations for efficient flight management.

## Projects

---

### Library Management Platform

[GithubLink](#)

Java, Spring Boot, MySQL Database, React JS, JWT

- \* Includes role-based access (Admin/User), inventory management, issuing, returning, overdue fine calculation, and real-time tracking.
- \* Admins can manage users and books through a responsive dashboard backed by Spring Boot and MySQL.
- \* Enables users to browse, search, and borrow books with secure profiles and borrowing history.

### AI MultiHub

[GithubLink](#)

Spring Boot, MySQL Database, React JS, JWT

- \* Built a full-stack platform to interact with multiple AI tools from a single interface.
- \* Added dynamic AI tool registration with configurable endpoints, headers, and body templates.
- \* Implemented a unified prompt system to query multiple tools and compare responses side-by-side.
- \* Secured all user operations with JWT authentication and protected backend APIs.

## Technical Skills

---

**Languages:** Java, Python, C, JavaScript, HTML, CSS

**Frameworks/Libraries:** Spring Boot, ReactJS

**Databases:** MySQL, SQL

**Developer Tools:** VS Code, Eclipse, Postman, Git, GitHub

**Soft Skills:** Problem Solving, Team Collaboration, Time Management

## Achievements

---

- Solved 500+ problems on GeeksforGeeks. [Profile Link](#)
- Solved 500+ problems in LeetCode. [Profile Link](#)
- Secured 3<sup>rd</sup> position in the 'Code Clash' event during our college's technical fest. [Certificate Link](#)
- Secured NPTEL certificate in 'Java' with **78%**. [Certificate Link](#)
- Secured NPTEL certificate in 'Data Structure and Algorithms using Java' with **81%**. [Certificate Link](#)
