Career Objective

To secure a challenging position where I can effectively contribute my skills, and innovative ideas to gain knowledge in the work-oriented environment.

Education

- Master of Computer Application(MCA) in Shree Vivekananda Institute of Science, Sri Krishna Devaraya University
- Bachelor of Commerce in Sri Venkateswara Degree College from, Sri Krishna Devaraya University
- Board of Intermediate Education, Govt Junior College, Pattikonda
- Secondary School Certificate, Sri Vani Vidya Nikethan School, Guntakal

Academic Project

Project Name	: Cashless Society: Managing Privacy and Security in the Technology
Role	: Project Developer
Technologies	: Data Security & Privacy Techniques , Blockchain Concepts

This project focuses on how financial transactions can be securely performed in a cashless society using digital payment systems. It highlights privacy challenges and proposes solutions such as data encryption, blockchain monitoring, and card number randomization to protect user data in digital transactions.

- To analyze privacy and security risks in digital payment systems.
- To propose secure methods for protecting personal and financial information.
- To design a system framework that enhances user trust in a cashless economy.
- Conducted research on privacy and security issues in digital payment methods.
- Designed conceptual models for secure transaction processing.
- Prepared documentation and presented research findings.
- Worked under faculty guidance to complete academic project evaluation

Outcome:

The study proposed improved security measures to safeguard personal data in cashless transactions and emphasized awareness on data privacy in modern digital financial systems.

Technical Skills Summary

- Good Knowledge on Java
- OOPS concepts, variables, data types, loops, conditional statements, Arrays etc.
- Knowledge on Data Structures(Array, LinkedLists, Stacks)
- Knowledge on Eclipse.
- Knowledge on MS Excel, MS Word
- Good interpersonal skills, willing to take challenges and more responsibilities.
- Ability to learn new technologies with minimal time period

Strengths

- Able to work in a team
- Good Communication Skills
- Active learning and critical thinking

Achievements

- Participated in college and school level Essay competition and received applauds.
- Event organizer in school annual day functions and other technical events.

Declaration

I hereby declare that the above-mentioned information is true & correct to the best of my knowledge & belief. I bear the responsibility for the correctness of the above-mentioned particulars.
