

ISWARYA.V

UI/UX DESIGNER | 91+93-444-97425

About Me

I'm a UI/UX designer who loves creating visually appealing and user-friendly digital experiences. I enjoy turning ideas into interactive designs that make users' lives easier, using tools like Figma, Adobe XD, and Sketch.

INTERNSHIP

Just Rise Technologies Pvt Ltd Chennai

2024– PRESENT

- Designed user interfaces for apps, websites, and other interactive media.
- Collaborated with product managers and engineers to gather and analyze user requirements.
- Created design concepts and communicated them through storyboards.
- Developed process flows and sitemaps to guide project structure and navigation.
- Utilized Adobe XD, Illustrator, and Figma to create responsive and visually appealing designs.

Project

Healthy Food App Redesign

2024– present

- Created intuitive UI/UX flows for recipe browsing, healthy meal categories, and nutritional tracking.
- Improved navigation and product discovery by introducing a simplified filter system.
- Designed a Healthy Food App promoting village-style recipes and millet-based meals.

HR& Employee Management Dashboard

2025

- Designed a data-driven HR dashboard for managers and employees.
- Enabled record, attendance, payroll, and performance management.
- Built a simplified employee view for payslips, leave, training, and updates.
- Improved usability with role-based access and responsive design.

E-commerce App Redesign

2024

- Designed a modern, responsive UI for an online store using Figma.
- Improved navigation and product discovery by introducing a simplified filter system.
