

# SAGAR HRUSHITH SINGH

Hyderabad, IN | Phone: +91 9553466891 | [hsagar39@gmail.com](mailto:hsagar39@gmail.com) | [LinkedIn](#) | [Portfolio](#)

Analytical and resourceful professional with experience supporting **business operations, customer engagement, product development, and marketing initiatives**. Skilled in gathering requirements, analyzing data, documenting processes, and coordinating with stakeholders to drive clarity and execution. Strong foundation in **UI/UX workflows, BA documentation, performance analytics, and market research**.

## EXPERIENCE

### WELIX FINTECH PRIVATE LIMITED – Hyderabad

UI/UX DESIGNER

September 2024 – March 2025

- Conducted **user research, market analysis, and competitive benchmarking** across 5+ fintech platforms to support **feature prioritization** and **product strategy**.
- Authored **BRDs, PRDs, user stories, user flows, and KPI dashboards**, aligning requirements with **product, marketing, and QA** teams.
- Designed **responsive dashboards, onboarding journeys, and investor decks**; produced 30+ **wireframes, high-fidelity prototypes, and design systems** in Figma. Collaborated with **cross-functional teams** (product, engineering, QA) to run **usability tests**, manage **sprint cycles**, and deliver **pixel-perfect UI** aligned with requirements.
- Analyzed **campaign data, usage metrics, and customer behavior**, improving **sales visibility, engagement, and decision-making efficiency**.
- Built scalable **design documentation, reporting workflows, and process frameworks**, reducing stakeholder alignment time by **25%**.

### CAARYA – Hyderabad

GRAPHIC DESIGNER

December 2020 – January 2021

- Designed **brand assets, marketing collaterals, and digital creatives**, improving **engagement, brand consistency, and campaign quality**. Supported **content and marketing** teams with structured documentation, visual guidelines, and communication materials.

### DASH BEYOND – Hyderabad

QUALITY ASSURANCE INTERN

September 2020 – October 2020

- Executed 25+ **UAT test cases**, documented **usability bugs**, and optimized **QA workflows**, reducing bug-resolution time by **30%**.
- Collaborated with **product and engineering teams** to refine 10+ **UX/UI issues**, enhancing user flows and sprint productivity.

### BRAINOVISION Solutions, Hyderabad

WEB DEVELOPER INTERN

September 2020 – November 2020

- Developed 5 internal **dashboards** using **PHP, SQL, and HTML/CSS**, automating processes and reducing manual tasks by **40%**.
- Supported **QA and operations** by identifying usability issues, performing quick fixes, and improving internal system reliability.

## PROJECTS

### Product Design & Analytics – Welix Fintech

Created design systems, onboarding dashboards, BRDs, PRDs, and performance metrics dashboards to ensure consistency, data alignment, and strategic clarity across teams.

### QA Escalation Workflow – Dash Beyond

Designed and documented end-to-end QA workflows, improving efficiency, reducing bug turnaround, and strengthening communication between QA, product, and dev teams.

## TECHNICAL & PROFESSIONAL SKILLS
