## PROFILE SUMMARY

I am a front-end developer with 4 years of experience in building dynamic user interfaces and delivering seamless user experiences. Passionate about staying ahead of industry trends, I continuously refine my expertise in modern frameworks like Angular and React, while also exploring AI-driven enhancements in front-end development to create smarter and more intuitive applications.

## PROFESSIONAL EXPERIENCE

### Front End Developer, Teqin Valley

04/2025 – Present  
PUNE, India

- Developed, tested, and maintained dynamic web applications using Angular (20), ensuring high performance and scalability.
- Designed and implemented a centralized API for integrating 10+ social media platforms.
- Translated UI/UX wireframes into responsive, user-friendly web interfaces.
- Optimized application performance for speed, efficiency, and scalability.
- Integrated RESTful APIs and efficiently managed asynchronous data requests.

### Software Developer, SRV Media Pvt Ltd.

01/2022 – 03/2025  
PUNE, India

- Led the design, development, and implementation of graphics, layouts, and PUNE, India production-ready communication materials, driven by a strong passion for aesthetics and UI development to create visually engaging and user-centric experiences.
- I have extensive experience working with frontend code for educational websites, ranging from redesigns to seasonal updates, and ongoing production work.
- Additionally, I have successfully implemented various frontend technical solutions to meet project requirements, including the creation of 20+ websites, 10+ online marketing initiatives & more than 5 new web pages.
- Built single page applications (SPA), responsive web design, UI using HTML5 grid layouts, CSS3, media queries.
- Optimized code and performance for accuracy, quality, and a seamless user experience.

### Frontend Web Developer - Intern, SRV Media Pvt Ltd.

10/2021 – 12/2021  
PUNE, India

- Delivered enhanced user experience by optimizing images, code, and cross-browser compatibility, improving page load times and increasing Time on Page by 30+ seconds across 50+ websites.
- Developed and tested user interfaces for web applications using HTML, CSS, and JavaScript.
- Collaborated with the design team to create modern, responsive web designs.
- Provided technical support to end users experiencing issues with the website or application UI and UX.
- Efficiently managed 5+ projects simultaneously, delivering results within one month under high-pressure deadlines.

## SKILLS

---

**TypeScript**

**JavaScript**

**Bootstrap**

**HTML5 & CSS3**

**SASS**

**PHP**

**AWS**

- EC2 (Elastic Compute Cloud)
- S3 Bucket
- CDN- CloudFront

- WordPress
- CodeIgnitor
- Laravel

**Postman**

**API Integration & Execution**

**Deployment and CI/CD**

## PROJECTS ON LIVE

---

### **SYMBIOSIS INSTITUTE,**

*Tech Focus: UI/UX design, Front-end development, Website development, UX improvement*

- Symbiosis National Aptitude Test - SNAP [↗](#)
- Symbiosis Entrance Test - SET [↗](#)
- Symbiosis Center For Management and Human Resource Development - SCMHRD [↗](#)
- Symbiosis Institute of Business Management, SIBM , Pune [↗](#)

### **ZIFFYTECH**

*Tech Focus: Web development, Telehealth platform, IoT integration, Responsive design [↗](#)*

IOT enabled Video consultation platform, for Doctors and Patients

### **NEEV**

*Tech Focus: Web interface design, Event website, Front-end development, User-friendly navigation [↗](#)*

Developed a user-friendly event website for SCMHRD's Annual corporate and cultural Festival - NEEV, ensuring seamless navigation.

### **SCMHRD's Management Committee**

*Tech Focus: Landing page development, Content management, Website optimization, Branding [↗](#)*

### **Brandiwave,**

*Tech Focus: Angular 20, JavaScript, TypeScript, REST APIs, Bootstrap, Postman, Git.*

Developed scalable Angular modules, implemented seamless API integrations using RESTful services, leveraged JavaScript/TypeScript for interactive features, optimized application performance, and refined UI/UX to elevate user experience.

## EDUCATION

---

**Bachelor Of Engineering, Sanjay Ghodavat Institute**

2016 – 2020  
Kolhapur, India
