

# RUTUJA SATYAWAN LUBAL

B.E. in Information Technology, 2025

Detail-oriented Data Analyst with strong expertise in SQL, Power BI, Excel, and Alteryx, skilled at building dashboards, cleaning datasets, and automating workflows. Experienced in analyzing supply chain, operations, and sales data to generate actionable insights and drive process improvements. Seeking to leverage analytical and problem-solving skills in a data-driven role.

## EDUCATION

### B.E - INFT

Atharva College of Engineering, Mumbai.

Percentage - 85.98% | 2022-2025

### DIPLOMA - CIVIL ENGINEERING

Veermata Jijabai Technological Institute (VJTI), Mumbai.

Percentage - 84.84% | 2019 - 2022

### SSC

Adarsh Vidyalaya, Mumbai.

Percentage - 81.80% | 2018 - 2019

## EXPERIENCE

### AICTE-EDUSKILLS VIRTUAL INTERNSHIP COHORT-9

Intern - Data Analytics Automation

July 2024 - September 2024

- Automated repetitive operational workflows using **Alteryx**, improving data accuracy and reporting efficiency.
- Analyzed supply chain datasets to identify performance gaps and reduce process delays.
- Collaborated with teams to enhance end-to-end data pipelines and visibility of key warehouse metrics.
- Applied ETL techniques to clean, transform, and maintain data used for operations monitoring and decision-making.

### ACCENTURE NORTH AMERICA - FORAGE

Data Analyst Intern

June 2024

- Simulated real-world business scenarios to analyze operational and performance metrics.
- Designed Power BI dashboards to visualize key KPIs like turnaround time and cost efficiency.
- Conducted root cause analysis of anomalies in datasets and provided actionable insights for business improvement.
- Delivered data-backed recommendations to optimize internal processes and enhance cross-department reporting.

### ACMEGRADE PVT. LIMITED

Web Developer Intern

June 2023 - July 2023

- Developed and optimized **user interfaces** for web applications using **HTML, CSS, React, and JavaScript**.
- Created responsive and interactive web pages to enhance the **user experience**.

## SKILLS

Python

Pyhon Libraries

Power BI

SQL

Excel

Statistics

DAX

ETL

Data Cleaning

Data Visualization

Data Modeling

Data Transformation

## PROJECTS

### WEATHER ANALYTICS ( POWER BI )

- Built an interactive dashboard to analyze temperature, rainfall, and humidity trends.
- Identified seasonal patterns and provided insights into climate impact on operations.
- Applied data cleaning, aggregation, and visualization for time-series analysis.
- Delivered insights useful for forecasting and resource planning.

### HR ANALYTICS (POWER BI)

- Developed dashboards to analyze employee attrition, performance, and retention metrics.
- Queried SQL database for employee demographics & KPIs.
- Identified patterns in attrition causes (salary, role, workload) with data visualization.
- Recommended strategies for employee engagement & workforce planning.

### PIZZA SALES ANALYSIS (SQL & EXCEL)

- Queried SQL to extract sales KPIs & peak performance trends.
- Used Excel for forecasting demand & generating inventory insights.
- Recommended pricing & stock adjustments based on root cause analysis.

### BLINKIT ANALYSIS (POWER BI)

- Built interactive dashboards to evaluate operational efficiency & customer satisfaction.
- Used Power Query for cleaning & transformation; applied DAX for KPIs.
- Analyzed delivery timelines & delays, suggesting logistics improvements.

## POSITION OF RESPONSIBILITY

### DOCUMENTATION HEAD - CSI

- Maintained structured records & reports using Excel, improving documentation workflows.

### VOLUNTEER - GDSC

- Assisted in organizing events and maintaining documentation.

## CERTIFICATIONS

- Oracle Analytics Cloud (Oracle)
- Data Analytics with Generative AI (SimpliLearn)
- junior Cybersecurity Analyst (Cisco)
- Alteryx (AICTE Virtual Internship)
- Power BI (Infosys Springboard)
- SQL (Great Learning)
- Python (Great Learning)
