Summary

Java Developer with strong skills in Core Java, Spring, Hibernate, JDBC, and MySQL. Experienced in developing scalable applications through academic and personal projects. Currently working as a Technical Support Engineer at V&V; Comptech Systems, gaining hands-on experience with production systems, SQL queries, and troubleshooting. Seeking a full-time opportunity as a Java Developer to apply software development skills.

Skills

Core: Java, Spring, Spring Boot, Hibernate, JDBC, MySQL

Familiar: JSP, HTML, JavaScript, Android Studio, Swing, C

Tools: Git, Eclipse, IntelliJ, Maven

Experience

Technical Support Engineer | V&V; Comptech Systems | Jul 2025 – Present

- Provided technical support for enterprise-level applications, ensuring timely resolution of client issues.
- Worked with SQL queries and log analysis to troubleshoot and resolve application problems.
- Collaborated with development teams to escalate and fix recurring bugs, improving system stability.
- Enhanced communication skills through client interaction and root cause analysis.

Projects

E-Commerce Website | Java, Spring MVC, Hibernate, JSP

- Developed a dynamic platform with role-based access for product and category management.
- Implemented intuitive navigation and user-friendly features to enhance customer experience.

Bank Management System | Java, Swing, JDBC

- Built an application for account creation, deposits/withdrawals, and balance inquiry.
- Integrated secure authentication with a clean, intuitive UI.

Music Player | Java, XML

- Designed a music player with core functionalities like play, pause, stop, and track selection.
- Created a smooth and user-friendly interface using XML.

Education

- B.Tech in Computer Science and Engineering | Tatyasaheb Kore Institute of Engineering and Technology, Warananagar | 2020 – 2024 | SGPA: 8.10
- HSC (12th) | A.K. College of Science, Atpadi | 2020 | 68.11%
- SSC (10th) | E.M.P. Vidyalay, Dighanchi | 2018 | 86.40%

Certifications

- C Programming for Beginners (Aptitech)
- Data Structures Certification (Aptitech)
