Projects

TicketManagement System – Awt & Swing Packege desktop Application

- Developed a desktop-based application Airline Ticket Management System java, awt,swing and MySQL for data store

Cafe Management System – Console-based Java Application

- Developed a console-based Java app for menu management, order processing, and billing with MySQL integration.
- Ensured maintainability through exception handling and modular code structure.

Car Rental System– Console-based Java Application

- Developed a Console-based car rental management system that allows customers to browse, book, and manage car rentals
- Integrated CRUD operations with MySQL for real-time data updates.

Full Stack Cafe-(Online Food Ordering System)

- Created a full-stack food ordering platform that allows customers to browse menus, place orders, and make secure payments online. The system supports user registration, restaurant management, and order tracking, providing a seamless experience for both customers and administrators. It enhances restaurant operations through automated order processing and real-time status updates.
- **Technologies Used:** Advance Java , JSP, Servlet, OPPS, MySQL

Education

- Bachelor of Science in Information Technology, Ramanand Arya D.A.V. College 2025
CGPA – 8.02/10.00 Aug 2022 – Mar
- Coursework: Data Structures, Web Development, DBMS, OS, Computer Networks, OOP, Software Engineering, Cloud Computing

Skills/Technologies

- Programming Languages : Java , SQL , JavaScript
Frameworks & Tools : JSP, Servlets
- Web Technologies: HTML, CSS, React (basics)
- Databases & Build Tools: MySQL , Git , GitHub
- Concepts: OOPS, Exception Handling, Data Structures & Algorithms

Certifications

Machine Learning – Ramanand Arya D.A.V.College

- Learned the basics of ML using Anaconda,Pandas, and Jupyternotebook. India Tech
- Full stack java developer (pursuing) Quastech Institute

Achievements

- Won First Prize in Inter-College Cricket Tournament, representing [Ramanand Arya D.A.V. College] Represented college in multiple inter-college cricket competitions and contributed to team victories.
