SUMMARY

Aspiring Software Developer skilled in HTML, CSS, Java, JavaScript, and React.js, with hands-on experience building 6+ real-world projects including web applications and games. Seeking an entry-level role to apply my skills in creating scalable, user-friendly solutions while continuously learning modern technologies.

SKILLS

- **Frontend:** HTML, CSS, React.js, Bootstrap, Material UI, Reactstrap, Vite, Parcel
- **Programming:** Java, JavaScript
- **Version Control:** Git, GitHub
- **Other:** Responsive Design, Debugging, Problem-Solving

EDUCATION

- **Bachelor of Computer Application (BCA)** – Dr. Ram Manohar Lohia Avadh University, Ayodhya
- **10+2 (Non-Medical)** – A.I.T. Inter College, Jaganpur, Ayodhya

CERTIFICATIONS

- Oracle Certified Associate, Java SE Programmer – Oracle

PROJECTS

1. **Food Recipe App** [Live Demo](#)
 - Created a recipe search application with Redux state management and Material UI for styling.
 - Integrated API to fetch recipes dynamically
 - Tech Stack: React.js, Redux, Material UI
2. **To-Do App** [Live Demo](#)
 - Built a task management application with features to add, update, and delete tasks.
 - Used React.js, Material UI for UI components and responsive design.
3. **Car Rental System (Java)** [Github Repository](#)
 - Developed a console-based application to rent and return cars, calculate rental costs, and manage customer records.
 - Implemented OOP principles (Encapsulation, Classes & Objects) and Collections (ArrayList).
4. **Java Games (Console-based)** [Github Repository](#)
 - Dice Rolling Game, Guess Number, and Rock-Paper-Scissors developed in Java.
 - Enhanced problem-solving and logic-building skills.
5. **Quiz App** [Live Demo](#)
 - Developed a dynamic quiz application with score calculation and interactive UI.
 - Tech Stack: HTML, CSS, Javascript
6. **Calculator App** [Live Demo](#)
 - Designed and implemented a functional calculator supporting basic arithmetic operations.
 - Tech Stack: HTML, CSS, Javascript

LANGUAGES

- English (Professional Proficiency)
- Hindi (Native)
