WORK EXPERIENCE

INTERNSHIP (DUCAT) NOIDA

java full stack developer

Sep 2024 - Mar 2025

The **Work Experience** section of a Java Developer resume should showcase your practical experience in developing, testing, and maintaining software applications using Java and related technologies. It's important to focus on your responsibilities, key achievements, and how you contributed to project success. Here's how to structure your work experience for different levels of experience:

EDUCATION

KALISH INSTITUTE OF MANAGEMENT

bachelor of computer application - 50%

September 2021 - May 2024

L.B.S.S.N.I.C. PPIPAR MADAN GOPAL DEORIA

intermediate - 74.6%

June 2020 - June 2021

Education is the process of acquiring knowledge, skills, values, and habits through various forms of learning. It typically involves instruction and training, and it can take place in formal or informal settings. Education plays a vital role in personal development, social progress, and economic growth. It can happen at different stages of life, from early childhood through adulthood, and encompasses a wide range of subjects, disciplines, and methodologies.

PROJECT

Online Maintenance Management System

September 2023 - January 2024

An **Online Maintenance Management System (OMMS)** is a software application that helps organizations manage and track the maintenance of their assets, equipment, and infrastructure in a centralized manner. This system typically allows users to submit maintenance requests, track the status of requests, schedule preventive maintenance, manage work orders, and store asset-related information. It can be built using various technologies, and in this case, the system is described with a **frontend** using **HTML** and **CSS**, and a **backend** using **Java** (with a servlet-based architecture and a database for data storage).

SKILLS

Front-end: Html, CSS, JavaScript

Back-end: c, c+, core java, advanced java, etc

Database management :Sql Server, My Sql

LANGUAGE

Hindi, English

communicate meaning. Language can be spoken, written, or signed
