PROFILE SUMMARY

Results-driven Java Developer with 3.8 years of experience in backend development using **Java 8**, **Spring Boot**, **Microservices**, and **Hibernate**. Adept at designing scalable **REST APIs**, developing multi-threaded systems, and applying **SOLID principles**. Experienced in SDLC, TDD, and JUnit testing with a focus on performance optimization.

TECHNICAL SKILLS

- **Programming Languages:** Java 8, SQL, JavaScript.
- **Frameworks & Technologies:** Spring Boot, Hibernate/JPA, Microservices, RESTful APIs.
- **Tools & Platforms:** Maven, Docker, Redis, Kafka, Git.
- **Databases:** MySQL, PostgreSQL.
- **Testing & Development Practices:** JUnit, Test-Driven Development (TDD), Integration Testing.
- **Web Technologies:** HTML, CSS, JSP, JSTL, jQuery, Angular.
- **Concepts:** Design Patterns, System Design, Data Structures & Algorithms, SOLID Principles.

WORK EXPERIENCE

miniOrange Security Software Private Limited

Pune, Maharashtra | 04/2025 – 11/2025

Software Engineer

- **Resolved** critical production issues, **enhancing system stability** and data flow for high-traffic services.
- Conducted JUnit and integration testing to ensure code reliability and maintain high-quality standards.
- Participated in code reviews and peer programming, improving code quality and enforcing design best practices.

Infibeam Avenues Limited

Pune, Maharashtra | 08/2022 – 02/2025

Jr. Software Programmer

- Integrated **payment gateway** to streamline transactions and enhance user experience.
- *Refactored legacy code following SOLID principles, improving maintainability and reducing bugs by 25%.*
- Designed and developed **high-performance REST APIs and Microservices** supporting both **synchronous and asynchronous communication**, enhancing data integration and UI interactions.
- Improved API response time by 40% and increased client retention by 20% through optimized API engineering for 10+ clients.
- **Integrated Kafka-based message queuing system** for reliable message delivery, enhancing inter service communication.

Grid Infocom Private Limited

Gurugram, Haryana | 01/2022 - 07/2022

Associate Technical Consultant

- Developed efficient **REST APIs** with **Spring Boot**, integrating **MySQL** and **PostgreSQL** databases.
- **Built front-end modules with JSP, CSS, JSTL, and JavaScript**, integrating them smoothly with the Spring Boot backend for enhanced functionality.
- Collaborated with cross-functional teams in an Agile environment, participating in sprint planning, daily stand-ups, and retrospectives to ensure timely delivery of features.

EDUCATION

Master of Computer Application (MCA)- *MITS*

Gwalior, M.P | 07/2018 – 05/2021

Bachelor of Science in Computer Science (B.Sc.) - *Jiwaji University*

Gwalior, M.P | 04/2014 – 07/2017
