## INTERNSHIP

### UI/UX design intern

**trios technologies pvt Ltd , Chennai|Nov 17 2025-Nov 27 2025.**

- During my UI/UX design internship, I worked on creating user-friendly interfaces using the Figma application.
  - I also practiced building interactive prototypes by adding screen connections, transitions.
  - I learned to design clean and structured layouts, create reusable components, and apply proper spacing and typography.
- 

## PROJECT

### Secure RFID based Lift control system

- A lift system that uses RFID cards to grant access only to authorized users. It Automates floor selection, reducing manual operation and errors.
  - Enhances security and improves overall efficiency in building management.
- 

## TECHNICAL SKILLS

**Programming language :** Python

**Web technologies :** HTML, Css

**tools :** VS Code ,Figma

---

## CERTIFICATIONS

- **Artificial intelligence fundamentals** issued by IBM skillsbuild.
- **Introduction to Modern AI** issued by Cisco Networking Academy
