## SUMMARY

---

BCA graduate with hands-on internship experience in web development, cybersecurity, and content creation. Proficient in HTML, CSS, MySQL, and basic JavaScript, with a strong understanding of responsive design and website optimization. Experienced in building simple projects, writing clean code, and collaborating in a structured development environment. I am passionate about creating user-friendly interfaces, improving website performance, and learning new technologies in the IT domain. With strong communication skills, adaptability, and a commitment to continuous improvement, I am eager to contribute to a dynamic organization and grow as a web and software professional.

## SKILLS

---

HTML      CSS      MySQL      JavaScript(Basic)      Python
