## PROFESSIONAL EXPERIENCE

## Salesforce Developer | Raagvitech | Aug 2021 – Aug 2023

- Designed, developed, and deployed **custom Salesforce solutions** using Apex Classes and Triggers.
  - Built **Lightning Web Components (LWC)** to create interactive and responsive user interfaces.
  - Implemented **Salesforce automation** using Workflows, Flows, and Process Builder.
  - Managed deployments through **Change Sets and Data Loader**, ensuring smooth releases.
  - Collaborated with cross-functional teams to deliver high-quality CRM enhancements.
  - Improved system efficiency and reduced manual processes by 25%.
- 

## PRACTICAL EXPERIENCE

### Salesforce Projects

#### QuestMortgage – Salesforce Automation Project

- Developed Apex Triggers to automate mortgage approval workflows.
- Built Lightning Web Components for dynamic form submission and record updates.
- Designed custom objects and implemented validation rules to ensure data integrity.
- Optimized Apex logic for better performance and scalability.

#### Blackthorn Technical Support Project

- Customized Salesforce modules for **event management workflows**.
  - Enhanced LWC components for responsive UI and better user experience.
  - Debugged and optimized Apex classes to improve system performance.
-

## Python Full Stack / Frontend Projects

### Green Plant Nursery Website – HTML, CSS, Bootstrap

- Developed a responsive multi-page website including **Home, Plant Collection, Cart, Contact, and Login/Register** pages.
- Displayed plant products using **Bootstrap grid system** with images, descriptions, and prices.
- Ensured full mobile responsiveness and clean UI design.

### Book Finder Website – HTML, CSS, JavaScript, API Integration

- Created a web application to search books via the **Google Books API**.
- Implemented search functionality by title or author using **JavaScript fetch()**.
- Dynamically displayed results with clean CSS styling and responsive layout.

---

## EDUCATION

**B.Tech in Computer Science** – Ravindra College of Engineering for Women, Kurnool (First Class), 2020

**Intermediate (MPC)** – Narayana Junior College, Kurnool (First Class with Distinction), 2016
