## OBJECTIVE

---

Computer Science student seeking an internship or entry-level role in Full Stack Python development. Solid skills in React, JavaScript, HTML, CSS and SQL with a strong interest in building practical, user-focused web applications. Looking to gain real-world experience, contribute to meaningful projects, and grow with modern backend and development practices.

## PROJECTS

---

**perfume store :** Built a responsive perfume e-commerce website using React.js for the frontend and Node.js/Express for the backend. Implemented product listing, product detail pages with image gallery, size selection, add-to-cart functionality, user reviews, and social sharing via WhatsApp and Email. Used localStorage for cart and reviews persistence and REST APIs for backend communication.

**Technologies:** :HTML,CSS,React.js,Node.js,Express.js

**Router Finder Interactive Map:** Developed a web-based interactive route finder application that allows users to visualize optimal routes between two locations on an interactive map. The application uses Leaflet.js with OpenStreetMap tiles for map rendering and integrates the Nominatim Geocoding API to convert user-entered locations into geographic coordinates. Implemented Leaflet Routing Machine to calculate and display real-time routes with clearly marked start and end points. Designed a responsive and user-friendly UI using HTML, CSS, and JavaScript, including loaders and error handling for invalid inputs. The application supports dynamic map interactions such as zooming, panning, and real-time route updates, making it suitable for use cases like transportation planning, travel navigation, and logistics.

**Technologies:** :HTML5, CSS3, JavaScript, Leaflet.js, Leaflet Routing Machine, OpenStreetMap, Nominatim API

## SKILLS

---

<b>Programming Skills</b>	Python,HTML,CSS,JavaScript
<b>Frameworks and libraries</b>	Django,Reactjs
<b>Database</b>	SQL
<b>Core concepts</b>	Data Structures,OOPs
<b>Soft Skills</b>	Communication, Teamwork, Problem-Solving, Adaptability, Positive Attitude

## CERTIFICATION

---

SmartBridge - Salesforce

Cisco - Python Essentials, English IT1,IT2

Prepinsta Prime - Python Programming

Skill India Development - Python,Front-end

Hackerrank - Python,CSS, Javascript,SQL

Cognitive Class - SQL , APSSDC - Python

## EDUCATION

---

**B.Tech in Computer Science**, KSRM college Of Engineering,Kadapa

2022-2026

CGPA:8.43

## EXTRA-CURRICULAR ACTIVITIES

---

Participated in Be10x workshop to enhance skills in automation tools and AI-powered productivity.

## DECLARATION

---

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
