

KONKUMUTTI PRANAYA

Ph.no:6309172040 pranayakonkumutti@gmail.com

<https://www.linkedin.com/in/pranaya-konukumutti-379373250>

CAREER OBJECTIVE:

As a motivated and detail-oriented recent graduate with a degree in Computer Science, I am eager to apply my technical skills and problem solving abilities as a Software Engineer. My objective is to contribute to innovative projects and gain hands-on experience in software development while continuously learning and growing within a dynamic and forward thinking team.

EDUCATION:

- | | |
|----------------------------------------------------|----------------|
| • Bachelor of Technology (Computer Science) | CGPA :7.0 |
| Vaagdevi Engineering College | 2025 |
| • Intermediate (MPC) | PERCENTAGE:82% |
| Pratibha Junior College | 2021 |
| • SSC | PERCENTAGE:92% |
| St. Therese high school | 2019 |

PROJECT:

GUARDIANEYE: YOLO-BASED SMART HELMET DETECTION SYSTEM FOR ENHANCED SAFETY IN REAL-TIME

Guardian Eye is an innovative safety solution aimed at enhancing workplace and road safety through the use of advanced computer vision technologies. The system is designed to detect the presence or absence of helmets on individuals in real-time using the You Only Look Once (YOLO) object detection framework.

TECHNICAL SKILLS:

LANGUAGES

- SQL
- Java

TECHNOLOGIES

- HTML .

TOOLS

- Windows
- GIT
- MYSQL
- VS Code

SOFT SKILLS:

- Good Verbal ability & Problem solving mindset
- Team Work

CERTIFICATIONS:

Course Completion Certificate in Microsoft AI

Skills Challenge

Certified by Microsoft

AI- ML Internship Completion Certificate

Awarded by Eduskills in Collaboration with AICTE

IR4.0 Foundation Completion Certificate

Awarded by EdunetFoundation

STRENGTHS:

- Team work and critical thinking
- Time management

HOBBIES:

- Video Editing
- Mobile Photography
