

# R. SAI DWARAKA

## SUMMARY

I am an aspiring Java developer with skills in Java Core, Spring Boot, and MySQL. My experience includes developing REST APIs and integrating databases with JDBC, focusing on responsive web applications. Proficient in modern development tools such as Eclipse and VS Code, I am eager to apply my knowledge in real-world projects

## SKILLS

Java .Mysql .Oops Concepts .

SpringBoot. RESTAPIs JDBC

Thymeleaf. Eclipse. HTML .CSS .

React.js. Visual Studio Code

Github. Postman. JUnit. CRUD .

Agile. Waterfall model

## CERTIFICATIONS

**Accenture Nordics - Software Engineering (The Forage)**

Forage

Gained practical experience in SDLC, Agile workflow, and software design through a virtual internship.

**Tata - GenAI Powered Data Analytics (The Forage)**

Forage

Learned to apply Generative AI tools for business data analytics and visualization.

## Aspiring Java Developer

## INTERNSHIP

### Java Trainee

#### AEITY SYSTEMS PVT. LTD

Java Trainee

- Developed RESTful APIs and backend modules using Spring Boot and JDBC
- Built responsive web interfaces using React.js, HTML, CSS, and JavaScript
- Implemented Spring Security for authentication and role-based access control
- Worked with MySQL for database design and management using Springboot
- Integrated React.js frontend with Spring Boot backend using VS Code

## PROJECTS

### TuneHub

Music Streaming Application

- Developed a full-stack music streaming web app using React.js, Spring Boot, and MySQL
- Implemented user registration, login, and playlist management through secure REST APIs
- Used JDBC for database connectivity and CRUD operations
- Focused on responsive UI, seamless playback, and efficient backend integration

### ReSustainability

Live Project

- Built a live waste management web app focused on Circular Economy and sustainability
- Designed REST APIs and backend logic using Java, Spring Boot, and JDBC
- Integrated MySQL for waste tracking, reporting, and authentication
- Worked on API testing, security, and performance optimization

## EDUCATION

### B.Tech in Mechanical Engineering

07/2019 - 2023

[Sanskrithi School of Engineering](#)

Puttaparthi

### Intermediate

07/2017 - 03/2019

[Sri Satya Sai College](#)

Ananthapur

### 10th Standard

06/2016 - 2017

[ZPHS High School Boys](#)

Bukkapatnam
