SUMMARY

Motivated computer science graduate with strong skills in JavaScript, Java, and React.js. Proven ability to deliver user-focused solutions and enhance application performance through academic projects and internships. Adept at collaborating in team settings and committed to continuous learning. Seeking to contribute technical expertise and innovative problem-solving to a dynamic organization.

SKILLS

Front End : HTML5, CSS, JavaScript, React.js, Tailwind CSS, JSP

Back End : Node.js, Express.js, RESTful API, Java, Spring, Spring boot, Microservices

Database : MongoDB, MySQL, Postgresql

Tools : Github , Postman

PROJECTS

Collaborative Farming

- Engineered using React.js to create a dynamic and responsive user interface, increasing user engagement by 25% and customer satisfaction by 15%.
- Developed the backend with Express.js, Node.js, and MongoDB to handle large volumes of user data and interactions efficiently.
- Implemented RESTful APIs to facilitate data exchange between the frontend and backend.
- Created an innovative platform for farmers to connect, share resources, and collaborate on agricultural activities.
- Included features for resource sharing, community forums, and project collaboration to foster a cooperative environment for enhanced productivity and sustainability.

Filmworks

- Developed the frontend using HTML, CSS, Bootstrap, and JavaScript for a professional, user-friendly interface and interactive features.
- Created the backend with Java and MySQL to handle extensive data related to film projects and personnel.
- Designed a platform connecting film industry professionals with job opportunities, including portfolio uploads, job matching, and real-time notifications.

EDUCATION

Master of Computer Application

Sinhgad Institue of Management | SPPU | 2025 | 7.79

Bachelor of Computer Science

Yashwantrao Chavan Institute of Science Satara | Shivaji University | 2023 | 9.36

HSC

Lal Bahadur Shastri College Of Arts Commerse And Science Satara | Shivaji University | 2020 | 63.69%

SSC

Lohiya Vidhyalaya Saigaoon | Satara | 2018 | 79.40%

INTERNSHIP

Software Development Intern at Agroson Alliance LLP | December 2022- May 2023

Developed and maintained web applications, focusing on enhancing user experience and functionality. Collaborated with a cross-functional team to deliver projects on time

Software Development Intern at Sunware Technologies | February 2025 – May 2025

Worked on full stack development using Java and React.js. Built responsive UIs, developed RESTful APIs with Spring Boot, and collaborated in Agile teams to deliver scalable web applications.
