Databases	: SQL
Operating System	: Windows, Linux
Other Skills	: Data Structures and Algorithms (DSA) and APIs with Json
Soft Skills	: Problem Solving Skills, Leadership, Time Management, Team Work
Interests	: Java Development, Web Development
Tools known	: VS code IDE, Eclipse, Editplus, Axios

## EDUCATION

---

2021- 2025	Bachelor's of Technology in Computer Science and Engineering <b>Rajiv Gandhi University of Knowledge Technologies, Ongole</b>	(GPA: 8.9)
2019- 2021	Pre University Course <b>Rajiv Gandhi University of Knowledge Technologies- Ongole</b>	(GPA: 9.5)
2018- 2019	Class 10th <b>AP model school, kurnool</b>	(GPA:10.0)

## EXPERIENCE

---

INTERN PE  Web Developer Intern	May 2024 – June 2024
---------------------------------	----------------------

Duration : 45 days

Developed and maintained Web-based applications, focusing on enhancing functionality and optimizing performance. Implemented and tested code, ensuring high-quality software development standards. Collaborated with team members on code reviews and debugging to improve overall codebase efficiency. Automated data processing tasks with Web scripts, significantly reducing manual effort.

## PROJECTS

---

### ONLINE BUS TICKET BOOKING SYSTEM

The Online Bus Ticket Booking System is a web-based application that allows users to search, select, and book bus tickets online through an interactive and responsive interface. It simplifies the booking process with real-time seat availability and digital ticket generation tools.

### ONLINE BLOOD DONATION

“The Online Blood Donation Website” is a platform that connects blood donors with people in need of blood. It allows users to register as donors, search for available blood, and request blood when required. The website helps blood banks manage their stock and ensures that people can find the right blood type quickly in emergencies.
