## PROFESSIONAL SUMMARY

**Full Stack Developer** with 3+ years of experience specializing in **.NET development, cloud migration, Azure services, API optimization, and application modernization**. Proven expertise in building scalable applications, improving system performance, and reducing operational costs. Strong ability to collaborate across teams, deliver robust solutions, and manage end-to-end development in Agile environments.

## SKILLS

Category	Skills
Programming Languages	C#, C, C++, JavaScript, HTML, CSS
Frameworks & Technologies	.NET Framework, .NET Core, ASP.NET MVC, Azure Functions, Entity Framework
Cloud Platforms	Microsoft Azure (App Services, Azure AD, Azure Storage, etc.)
Databases	SQL Server, Azure SQL Database, IBM DB2, Teradata
Version Control	Git, Azure DevOps
Tools & IDEs	Visual Studio, Visual Studio Code
Testing & Code Quality	Unit Testing (MSTest, xUnit), Code Coverage Analysis
CI/CD Pipelines	Azure DevOps Pipelines
Soft Skills	Problem Solving, Team Collaboration, Agile Development

## WORK EXPERIENCE

### Full Stack Developer | Capgemini

Promoted in October 2025 for Exceptional Performance Rating

(November 2022 – Present)

- Developed and optimized .NET-based web applications, delivering a **35% increase in performance** and enhanced user experience.
- Led cloud migration projects to Microsoft Azure, achieving a **50% improvement in scalability** and **30% reduction in operational costs**.
- Enhanced and refactored stored procedures across SQL Server, IBM DB2, Teradata, and PL/SQL, resulting in **40% faster data processing**.
- Executed a time-critical API cluster migration to ensure high availability and prevent potential revenue loss.
- Upgraded legacy systems to modern .NET versions, improving system stability and maintainability.
- Collaborated within Agile teams for cross-functional development, testing, and deployment.

### Web Intern | East Fact Media

(June 2021 – August 2021)

- Built responsive web interfaces using HTML5, CSS3, and JavaScript, boosting customer retention by **25%**.
- Partnered with UI/UX designers to refine interfaces based on feedback, supporting **1,000+ error-free user interactions**.
- Participated in code reviews, debugging efforts, and performance optimization.
- Designed responsive layouts ensuring multi-device compatibility.
- Contributed to improvements that resulted in a **20% increase in overall user retention**.

## EDUCATION

B.Tech. Electronics and Communication	2018-2022	Manipal Institute of Technology	8.91 CGPA
CBSE (Class XII)	2018	Kamal Public School	70.8 %
