## **TECHNICAL SKILL:**

Programming Languages: Java

Frameworks/Technologies : Spring ,Spring boot

Tool: Maven, Postman, Git , Docker

Other: Sql, Dbms, Hibernate, Microservices (basic),Data Structure (basic)

## **INTERNSHIP:**

Company : Smart Programming (via online training)

Role : Java Full Stack Intern

Duration : Jan 2024 –April 2024

Location : Remote

## **Projects:**

### **SmartLearn Portal :**

- Created a Web-Based SmartLearn Portal to manage courses and user interactions easily
- The system includes features like user account management ,course purchases and admin control
- Integrated Razorpay payment gateway to handle online payment securely
- Users can buy the courses directly through the platform using Razorpay
- Support multiple payment option such as credit/debit cards and upi
- Ensure a smooth ,secure and efficient payment process for all users

### **Smart Contact Management:**

- Developed a web-based application to help users store and mange contact information easily
- Implemented core features to add ,update ,view and delete contracts
- Focused on providing strong security for user authentication
- Integrated OAuth2 authentication to enable secure login via Google and Github
- Ensured user data privacy and safe access using modern authorization standards
- Designed a simple and responsive interface for a smooth user experience

### **URL Shorter Application:(Final Year Project)**

- Developed Full Stack application using spring boot backend with React.js frontend
- Implemented JWT authentication and role based access control for security
- Build Restful APIs with Hibernate ORM and MYSQL for efficient URL management
- Optimized application performance using Maven build tool and Lombok Performance
- Added analytics tracking to monitor URL click statistics and user engagement

**EDUCATION:**

**Shri Sant Gajanan Maharaj College of Engineering**  
Computer Science and Engineering CGPA: 8.86

**Shegaon, Maharashtra, India**  
2021-2025

**Class XII**

Sahakar Vidya mandir

**Buldhana, Maharashtra, India**  
2021

**Class X**

Sahakar Vidya mandir

**Buldhana, Maharashtra, India**  
2019

**CERTIFICATION:**

- Java Full Stack : Wipro TalentNext Certification
- Programming In Java : Udmey Certification
- Structured Query Language: Udemy Certification
