

KUKUNUR RAJENDRAPRASAD

DATA ANALYST

+91 9100671295 | rjprasad.k@gmail.com | [LinkedIn](#) | Hyderabad, Telangana

PROFILE

As a Data Analyst with a strong foundation in data analysis, data manipulation with Advanced Excel, Google Sheets, Python, SQL and data visualization with Power BI to extract actionable-insights. My experience includes analyzing sales performance, uncovering key business trends, and building interactive dashboards that support data-driven decision-making.

TECHNICAL SKILLS

- **Programming & Databases:** Python (Numpy, Pandas, Matplotlib, Seaborn), SQL
- **Data Visualization:** Power BI
- **Data Manipulation & Analysis:** MS Excel, Google Sheets
- **Foundational Concepts:** Data Cleaning, Data Transformation, Exploratory Data Analysis

REAL-TIME PROJECTS

Blinkit Sales and Outlet Performance Dashboard | Power BI | [Link](#)

- Developed an interactive **Power BI dashboard** to visualize **\$1.20M in total sales** and **key performance metrics**.
- Conducted in-depth **Exploratory Data Analysis** to identify revenue drivers by analyzing sales performance across outlet type, item fat content, and location.
- Applied advanced **data visualization techniques** to present insights on outlet establishment trends and item visibility, supporting **data-driven decision-making**

Olympic Games Data Analysis Project | Python | [Link](#)

- Performed comprehensive **data analysis** on over **271K athlete records** using **Python** with **Pandas** and **Numpy** to uncover participation patterns and medal distributions.
- Created **8+ data visualizations** to reveal trends in gender, country performance, and athlete demographics over time.
- Integrated multiple datasets and handled missing data to generate **actionable insights** on Olympic performance metrics.

IPL Auction Dashboard | Google Sheets | Apps Script | [Link](#)

- Engineered a **Google Sheets-based dashboard** with **Apps Script** to simulate the IPL player bidding process for multiple virtual teams.
- Designed a clear visual layout with dedicated team sections to display budgets, player costs, and categories, streamlining the auction process.

EDUCATION

Master of Science (Physics)

Kakatiya University

2022

Master of Science (Computer Science)

Osmania University

2020

ADDITIONAL INFORMATION

- **Languages:** English, Telugu, Hindi
- **Certifications:** Data science and analytics using AI
