

## Education

Rajasthan Technical University, Kota  
**B.Tech** in Information Technology  
2018-2022 | **89.3%**

SR Public School, Kota (Raj.)  
**Senior Secondary School**  
2016 – 2017 | 74.4%

Akanksha Public School, Kota  
**Secondary School**  
2014 – 2015 | **10 CGPA**

## Skills

- JAVA
- Spring Boot
- REST APIs
- SQL
- MongoDB
- Data Structures
- Algorithm
- Microservices
- CI/CD Git (Jenkins)
- Python
- Reactjs
- AWS
- RabbitMq

## Project

### Practo App

- Built a microservices-based Hospital Management System using Java Spring Boot, ReactJS, and MySQL, enabling secure user authentication, patient appointment scheduling, and doctor management.

## Achievements

- **Rated Exceptional (Top 20%)** Performer for the year 2024 at iQGateway Pvt. Ltd.
- **Qualified JEE Main Examination.**

# CHAYAN JAIN

## Software Developer

### Professional Summary

- Experience in software development life cycle (SDLC) starting from collecting business specifications, and user requirements, confirming the design decision regarding data process, and interface the entire life cycle
- Experience in software technologies like **Spring boot, Java, RDBMS (SQL & PL/SQL), NoSQL, Document database MongoDB, SonarQube, GitLab, Data Structures, Algorithm**, Troubleshooting.
- Comfortable working in research, design and development.

### Experience

- **Software Developer** | iQGateway Pvt. Ltd  
Bengaluru, Karnataka | February 2024- September 2025
  - Technology/Tools – **JAVA EE, Spring boot, Microservice, SQL, MongoDB, Gitlab**
  - Core development team member for DYP-South Dakota Provider Management System.
  - Led backend development, building scalable **RESTful APIs** using Spring Boot, MongoDB.
  - Optimized API performance by reduced database calls, leading to an 80% reduction in backend response and improved user satisfaction ratings.
  - Involved in debugging, implemented services related to Performance, **email and Notification**.
- **Full Stack Developer** | Kodnest  
Bengaluru, Karnataka | November 2022 - February 2024
  - Technology/Tools – JAVA, Spring Boot, SQL, Web-Development (HTML-5, CSS- 3, JavaScript).
  - Built a Portal which includes User friendly course buying and lesson playback. Admin could create and add courses and lessons, while students could purchase those courses and watch lessons.
- **SQL Developer Intern** | Vaibhav Global Ltd  
Jaipur, Rajasthan | August 2022– November 2022
  - Technology/Tools – Core JAVA, SQL.
  - Involved in SQL development projects where I gained hands-on experience in database management and query optimization
  - Worked closely with team to create and optimize SQL queries, ensuring efficient data retrieval and manipulation.
