ZULFEEN SHAIKH

Nashik, Maharashtra • 9890225034 • zulfeenshaikh@gmail.com • linkedin.com/in/zulfeen-shaikh-a637851b9

Full Stack Developer (.NET Core | Angular | Web API | SQL | Azure)

Highly effective **Full Stack Developer** with over 2 years of experience specializing in web application development using **.NET Core** and **Angular**. Expertise in designing scalable .NET Core Web APIs and optimizing performance through stored procedures. **Instrumental in boosting client satisfaction from 88% to 99.9% within six months**. Proven collaborator with a strong technical foundation in C#, TypeScript, and SQL, committed to achieving critical project goals

SKILLS

Backend: Entity Framework, LINQ, Microsoft Azure, .Net Core, Web API

Frontend: Angular, CSS, HTML, SCSS, Syncfusion UI

Languages: C, C#, OOP, TS

Design Patterns: Repository Pattern

Database: SQL, SSMS

Development Tools: GitHub, IIS, Postman, TFS, Trello Board, Visual Studio, VS Code

Core Competencies: Communication, Problem-solving, Programming, Requirement Gathering, Software Development

WORK EXPERIENCE

Aress Software and Education Technologies • 08/2023 - Present
Software Developer

PROJECTS

ERP Management System • 09/2023 - Present
Aress Software and Education Technologies

- **Client Success & Scalability:** Achieved a **99.9% client satisfaction rating** (up from 88%) within six months by delivering high-performance solutions for a UK-based ERP system.
- **Full Stack Development:** Built and optimized enterprise applications using Angular, **.NET Core**, SQL, and Syncfusion UI components.Improved application efficiency by **optimizing stored procedures and database queries**.
- **Automation & Workflow:** Integrated **Quartz scheduler** for automated scheduling of recurring tasks and built email and attachment functionality to streamline communication workflows.
- **Operations & Deployment:** Managed annual **IIS Server deployments** to ensure smooth and reliable releases. Implemented file import/export processes for seamless data handling.

Ecommerce Website • 08/2023 - 09/2023
Aress Software and Education Technologies

- Developed a responsive ecommerce platform with features like product catalog, shopping cart, and order management.
- Implemented secure payment integration and optimized database queries for faster transactions.

EDUCATION

Bachelor of Engineering in Information Technology

NDMVPS Adv. Baburao Ganpatrao Thakre College of Engineering • GPA: 9.2 - C G PA • 08/2019 - 07/2023

AWARDS & SCHOLARSHIPS

Certificate of Appreciation for exceptional performance
