Career Objective

Motivated and detail-oriented Computer Science graduate with a strong foundation in web development, software testing, leadership, and entrepreneurial experience. Seeking a role to apply my skills in HTML5, CSS3, JavaScript, React.js, and testing methodologies to build responsive and user-centric web applications.

Professional Experience

Associate Software Engineer | VBLP Tech Solutions

May 2025 – Present | Hyderabad

CTC: ■4.5 LPA

- Developing and maintaining responsive web applications using HTML, CSS, JavaScript, and React.js.
- Collaborating with design and backend teams to deliver user-friendly and high-performance interfaces.
- Handling debugging, API integration, and deployment processes.
- Working with Git & GitHub for version control and project collaboration.

Technical Support Associate | Tech Mahindra

Feb 2025 – May 2025 | Hyderabad

CTC: ■3.0 LPA

- Provided technical assistance to customers, resolving network and software-related issues.
- Managed client queries efficiently, ensuring customer satisfaction.
- Gained experience in technical troubleshooting, communication, and problem-solving.

Education Background

B.Tech – Computer Science | DRK Institute of Technology, Hyderabad (2020–2024) | CGPA: 6.90

Intermediate – Shine Junior College, Warangal (2018–2020) | Percentage: 82.9%

School – Daffodils High School, Narsampet | Percentage: 90%

Technical Skills

Frontend: HTML5, CSS3, Bootstrap, JavaScript, React.js

Testing: Manual Testing, SDLC Understanding

Tools & Others: My Excel (Advanced Excel Operations), VS Code, Git & GitHub

Soft Skills: Problem-Solving, Communication, Team Collaboration, Attention to Detail

Projects

Portfolio Website (HTML5, CSS3, Bootstrap)

- Designed and developed a personal portfolio to showcase skills and projects.
- Used Bootstrap Grid for responsive and mobile-friendly layouts.
- Focused on clean UI/UX and professional presentation.

Responsive Landing Page Design (HTML5, CSS3, Bootstrap)
- Created a modern landing page with Hero, Features, and Contact sections.
- Applied Flexbox, Grid, and Bootstrap utilities for responsiveness.
- Maintained consistency in typography and colour schemes.

Business Experience
- Founded and managed a Personal Loan Business Office after graduation.
- Gained hands-on experience in client handling, team management, and business operations.
- Simultaneously attended placement drives to pursue IT opportunities.

Leadership Experience
- Served as Project Team Leader in the final year of B.Tech.
- Assigned tasks, managed schedules, and ensured timely project completion.
- Improved leadership, collaboration, and communication skills.

Testing Knowledge
Manual Testing: Test case design, execution, and bug reporting.
SDLC Knowledge: Familiar with Software Development Life Cycle and Testing Life Cycle.

Certifications
Verzeo Internship Certificate – Web Development Internship
