## EDUCATION

Bachelor of Computer Applications                                                   Belagavi, Karnataka
KLE Society's RLSBCA College Belagavi                                            *Graduated, 2025*
CGPA: 8.2
2021-2023
Pre-University
Raja Lakhamagouda Science PU College Belagavi
70.8%
2019-2021
High School
Devendra Jinagouda English Medium High School Belagavi
84.48%
2018-2019

## PROFILE SUMMARY

- Detail-oriented BCA Student with strong programming skills in python, java, SQL. Proficient in developing applications and managing databases, with hands on experience in software development projects. Adept at problem-solving and analytical thinking with passion for learning new technologies.
- Committed to staying updated with the latest industry trends and technologies, continuously enhancing skills to provide innovative solutions.

## PROJECTS

- FraudX – Online Payment Fraud Detection
  Built a dynamic full-stack system to identify and mitigate fraudulent activities in online payments using rule-based validation and transaction pattern analysis.

## INTERNSHIP

Machine Learning, Python, Power BI, and Generative AI
- Developed and trained machine learning models using Python for AI-driven solutions, optimizing performance through data preprocessing and feature engineering.
- Built AI-based recommendation systems and predictive algorithms to enhance decision-making and business outcomes.

## CERTIFICATIONS

- Artificial Intelligence using Python
- Artificial Intelligence and Machine Learning

## CURRENT EMPLOYMENT

- INFOSYS LTD, Mysore, India
  Systems Associate Trainee (2025-Present)

## TECHNICAL SKILLS

- Programming Languages: Python, Java, JavaScript, C, C++
- Web Technologies: HTML, CSS, Node.js, React.js, SQL
- Cloud & DevOps: AWS (EC2, S3, CloudFront), Cloud Fundamentals
- Tools & Platforms: Android Studio, PyCharm, Eclipse, Git, Power BI
- Core Skills: Machine Learning, Artificial Intelligence, Cloud Computing, Web Development, Data Analysis, Problem Solving.
