PROFILE

Passionate and detail-oriented Frontend Developer with hands-on experience in React.js, Next.js, and modern web technologies. Adept at creating responsive, scalable, and user-friendly web applications. Eager to contribute to innovative projects and continuously enhance technical expertise.

WORK EXPERIENCE

MERN Stack Developer Intern — JSB Global Infotech Pvt. Ltd.
June 2025 – October 2025 (4 Months) Worked on full-stack

Worked on full-stack development projects using React.js, Next.js, Node.js, and MongoDB, contributing to both frontend and backend functionalities.

Key Contributions:

- Developed multiple responsive and dynamic pages such as News, Reviews, Videos, and Blogs using reusable React components.
- Integrated RESTful APIs for new and existing data to improve performance and display efficiency.
- Implemented city- and brand-based search filters, including a City Selector feature, to enhance functionality and user experience.
- Improved UI and navigation elements, ensuring a seamless and intuitive user interface.
- Developed OTP-based login authentication for improved security and verification.
- Participated in code optimization and debugging, ensuring cleaner and more efficient applications.
