Summary

Java Developer with in-depth expertise in Java, Spring Boot, RESTful APIs, JavaScript, React, HTML, CSS, SQL, Oracle, and Git. Strong understanding of the full software development lifecycle, from designing scalable architectures to deploying and maintaining production-ready applications. Skilled in optimizing performance, debugging complex issues, and delivering high-quality, maintainable code. Adept in Agile environments and passionate about solving challenging technical problems.

Skills

Programming & Querying: Oracle, Java
Frameworks & Tools: Spring Boot ,Spring, HTML, CSS, Bootstrap, Git
Development Abilities: RESTful API Design, Full Stack Web Development, Performance Optimization, Debugging, Agile/Scrum

Experience

Java Full Stack Developer Training   Jan 2025 – Mar 2025
Naresh IT, Hyderabad (On-site)   *Technologies: Java, Spring Boot, SQL, Oracle*
  – Completed an intensive Java Full Stack Development program covering Core Java, OOPs, Collections, Multithreading, JDBC, Spring Boot, REST APIs, and React.
  – Gained in-depth understanding of Java memory management, execution flow, and memory diagrams for strong conceptual clarity.
  – Developed practice projects integrating front-end and back-end technologies, focusing on clean code, performance optimization, and debugging.

Projects

Cab Booking System Website / *Java, Spring Boot, React, SQL, Oracle*   Jan 2025 – Mar 2025
  – Built a full-stack cab booking platform with booking, payment, and user authentication features.

House Buying Website / *Java, Spring Boot, React, SQL, Oracle*   Jan 2025 – Feb 2025
  – Created a property listing and search platform with secure login and role-based access.
  – Implemented advanced search filters and managed backend with Spring Boot and SQL/Oracle.

Awards & Certifications

  • **Java Full Stack Development – Naresh IT, Hyderabad (2025):** Core Java, OOPs, Collections, Multithreading, JDBC, Spring Boot, REST APIs, React, SQL, Oracle.

  • **Microsoft Data Analysis (2024):** Excel, Power BI, data visualization.

  • **Java Programming – HackerRank (2025):** Advanced coding challenges.

  • **SQL (Basic) – HackerRank (2024):** Queries, joins, subqueries, aggregations.

Education

B.Tech in Computer Science and Engineering   Graduated: 2025
Sushila Devi Bansal College, Indore   *CGPA: 7.06 / 10*

Higher Secondary (12th)   2021
Shree Kasera Bazar Vidhya Niketan CBSE   *62.6% (CGPA: 6.26/10)*
