CAREER OBJECTIVE:

- To start my career in a dynamic IT environment where I can apply my Linux and AWS skills, grow as a system administrator, and contribute to the success of the organization.

PROFESSIONAL SUMMARY:

- Linux System Administrator with hands-on experience in Red Hat Enterprise Linux (RHEL) 9.3. Proficient in basic server configuration, and system troubleshooting. Also knowledgeable in Amazon Web Services (AWS), including EC2, S3 and foundational cloud networking. Eager to apply both Linux and cloud skills in real-world environments, driven by a strong passion for open source technologies.

LINUX TECHNICAL SKILLS:

- Installed, configured, and maintained Red Hat Enterprise Linux (RHEL) 9.3 systems
- Managed users and groups, set file permissions, and configured Access Control Lists (ACL) for secure access.
- Managed packages using YUM and RPM tools
- Grep command in Linux.
- Network Configuration NMCLI
- Handled file compression/archiving
- Configured and enforced SELinux policies and firewall rules for system security
- Created and managed Logical Volume Management (LVM), disk partitioning
- Basic VMware operations

WORK EXPERIENCE:

Project: Linux Server Setup and Administration:

Tools & Technologies: Red Hat Enterprise Linux (RHEL) 9.3, Yum, RPM, Firewall, SElinux

Description: In this project, I focused on installing and configuring the Linux operating system using Red Hat Enterprise Linux (RHEL). I managed users, groups, and file permissions to ensure proper access control and system security. As part of the security setup, I configured a basic firewall using using Firewalld and enabled SELinux to enforce mandatory access policies. Additionally, I used Yum and RPM package managers to install and update software packages.

AWS TECHNICAL SKILLS:

- Built an Assistant Management System using EC2, RDS, S3, IAM, and Lambda functions
- Configured Linux webserver, enabled bucket versioning, and set up AWS Security

TECHNICAL SKILLS:

- Linux , AWS , Basic VMware , CCNA(cisco),

LANGUAGES:

- English ,Marathi ,Hindi

EDUCATIONAL QUALIFICATIONS:

- Graduation Course **B.sc** (Computer Science) – Yashwantrao Chavan Institute, Satara (2024) **CGPA:7.3**
- HSC (**Class XII**): Maharashtra State Board (2021)

  Percentage: **61.7%**

- SSC (**Class X**): Maharashtra State Board (2019)
  Percentage: **74.80%**
