KODELA NOMESWARI

Hyderabad, 500085 | 7893400498 | nomeswari789@gmail.com

Professional Summary

Experienced Java Developer with over 3 years of hands-on success in designing, developing, and maintaining high-quality Spring Boot applications. Demonstrated ability to manage multiple projects concurrently, collaborating with cross-functional teams to identify and prioritize application requirements. Proficient in building scalable, reliable, and secure applications using microservices architecture. Strong expertise in OOPS concepts, Collections, Exception Handling, and Spring Data JPA for database interactions.

Technical Skills

- **Backend:** Java/J2EE, Spring Boot, Microservices, Rest API, Java 8, Hibernate

- **Databases:** MySQL, Microsoft SQL

- **Tools:** Jira, GIT Lab, Postman, Mobius tool (CI and CDRO)

- **IDEs:** Eclipse IDE, STS, IntelliJ

- **Operating Systems:** Linux, Windows

Professional Experience

Software Engineer | Tata Consultancy Services | Hyderabad

NOV 2022 – Present

Client: BT (British Telecom)

Project: BT WLMS

- Engineered solutions for the Product Catalog Management (PCM) module, managing broadband plan details including prices, speeds, and discounts.

- Managed and executed regular tariff changes, ensuring thorough testing in lower environments.

- Analyzed and resolved defects identified by the QA team during SIT and UAT phases, consistently meeting all delivery timelines.

- Ensured high code quality and eliminated vulnerabilities by proactively identifying and fixing Sonar issues.

- Acted as the single point of contact (SPOC) for multiple releases, handling release management, delivery, and Scrum calls concurrently with development tasks.

- Contributed to the design phase by participating in walk-through calls and providing accurate development estimations.

- **Technologies Used:** Java, Spring boot, Microservice, MySQL, Redis,Postman Jira ticketing tool.

Project: PUBSUB

- Owned the full development lifecycle for a middleware component responsible for sending SMS alerts to authorized customers.

- Independently managed all development, build, and deployment tasks.

- Analyzed and resolved bugs, performing comprehensive developer checks before deploying solutions using Mobius tools.

- Maintained stabilized components to ensure minimal issue reporting and rapid fix implementation.

- **Technologies Used:** Java, GIT, Mobius tools (CI and CDRO).

Education

Bachelors of Engineering (7.7 CGPA)

Rajiv Gandhi University of Knowledge Technologies, Nuzvid | Aug-2022

Intermediate (7.9 CGPA)

Rajiv Gandhi University of Knowledge Technologies, Nuzvid | Apr-2018

SSC (9.8 GPA)

Zpph school- lankalakoderu, West Godavari district | May-2016
