SUMMARY:

A dedicated Computer Engineering fresher with hands-on experience in Java, SQL, HTML/CSS, and project development. Strong problem-solving abilities and eager to apply technical skills in a professional environment.

SKILLS :

Technical Skills :
Programming Language: Java, SQL, JSON
Web Technologies: HTML, CSS,JavaScript
Database: MySQL, Excel
Testing: Manual Testing
Tools & IDEs: Visual Studio Code, Eclipse, NetBeans, Android Studio, XAMPP, Git, GitHub

Professional Skills :
Problem Solving
Team-work
Communication

EDUCATION :

Bachelor of Engineering in Computer Engineering
Sharadchandra Pawar College of Engineeringand Technology,Someshwarnagar,2022-2025
CGPA : -7.25

Diploma In Computer Technology.
Padmashri Dr. Vitthalrao Vikhe Patil Institute of Technology and Engineering, (Polytechnic), Pravaranagar , 2020-2022
Percentage :- 81.20

HSC
Padmashri Vikhe Patil College of Arts, Science and Commerce Loni,2019-2020
Percentage :- 62.50

SSC
Pravara Vidyaniketan Fattyabad,2018-2019
Percentage :- 73.15

INTERNSHIPS :

Java Development Intern — TechnoHacks EduTech (2023–2024)

Completed a structured internship focused on software development using Java. Built and debugged applications, collaborated with the development team, and delivered assigned tasks within deadlines. Gained hands-on experience in Java programming, problem-solving, and version control using Git and GitHub, strengthening practical understanding of real-world development workflows

PROJECTS :

A secure online banking system built using blockchain technology to provide decentralized, tamper-proof, and transparent transaction management. The system uses a distributed ledger to enhance data integrity, prevent unauthorized access, and eliminate single points of failure. It includes features such as user authentication, secure fund transfers, and smart-contract–based validation, demonstrating strong skills in Java, databases, security concepts, and distributed systems.

LANGUAGES:

1)English 2)Hindi 3) Marathi

CERTIFICATIONS:

Certified in Java Development
Issued by VibrantMinds, 2024
Covered Skills: Core Java, HTML, CSS, JSON
