  "As a Shopify Developer, I have worked on creating responsive, user-friendly eCommerce stores with custom themes, app integrations, and optimized checkout flows. My focus is always on improving UI/UX, boosting conversions, and

delivering fast, scalable, and SEO-friendly Shopify solutions."I'm a creative and detail-oriented UI/UX Designer specializing in animated UI, user journey design, and responsive websites for news and media platforms. I create intuitive, user-focused interfaces that balance aesthetics with functionality. Skilled in Figma, Adobe XD, and After Effects, I design from wireframes to polished, interactive prototypes. My work is driven by design strategy, storytelling, and a deep understanding of user behavior. I focus on clean layouts, strong content hierarchy, and engaging user experiences. Whether solo or in a team, I deliver designs that enhance brand identity, improve usability, and connect meaningfully with users. https://www.figma.com/design/MmUpGIIVm8izkpFssejDS1?node-id=0-1
