ABOUT ME

Creative and detail-oriented aspiring UI/UX Designer with a strong foundation in design principles, user research, wireframing, and prototyping. Seeking an opportunity to apply my skills and contribute to user-centric product development in a dynamic and innovative team.

WORK EXPERIENCE

LAARA INNOVATIONS

UI/UX Designer ——————————— NOW-2025

As a UI/UX Designer, I have worked on end-to-end design processes including user research, wireframing, prototyping, and creating high-fidelity interfaces for web and mobile applications. I specialize in designing intuitive and visually appealing user experiences that enhance usability and engagement. Collaborating closely with developers and product teams

PROJECTS

MBM CHARITABLE TRUST

- Designed user-friendly interfaces for web and mobile applications, ensuring seamless user experience.
- Conducted user research, wireframing, and prototyping using tools like Figma and Adobe XD.
- Collaborated with developers and product teams to deliver pixel-perfect designs on time.
- Improved overall usability and accessibility, resulting in a measurable increase in user engagement.

ARAA
