JULURI SAI NAGENDHRA CHARY

Ph.No : 8341382790, Email : saiofficial2003@gmail.com
Hyderabad,Telangana,500035.

PROFILE

Recent Computer Science Engineering graduate with solid training in automation and manual testing. Skilled in Java, SQL, Manual Testing, API Testing (Postman), and Selenium WebDriver. Trained at QSpiders, with hands-on experience in creating test cases, identifying defects, and automating test scripts for various applications. Passionate about ensuring software quality and efficiency through effective testing practices. Looking to contribute to a progressive team and further develop expertise in automation testing

KEY COMPETENCIES AND SKILLS

- Manual Testing
- Selenium
- Teamwork

- Core Java
- Microsoft Word and Excel
- SQL

- Communication Skills
- Jira
- SDLC & Agile Methodology

PROFESSIONAL EXPERIENCE

Cognizant   **Hyderabad,India**
Process Executive - Data   **July 2025 - Nov 2025**

- Investigated and resolved user-reported technical issues related to Google Maps data, routing, and location accuracy using Atlas and Calypso tools.
- Analyzed, validated, and updated geospatial data within Google's mapping systems to ensure accuracy and consistency.
- Collaborated with global teams to troubleshoot process issues and maintain high system performance standards.
- Followed strict data security, workflow, and quality control protocols while meeting SLA targets

Goldman Sachs Software Engineering Virtual Experience Program on Forage (Internship) February 2025

- Completed a job simulation as a Goldman Sachs governance analyst responsible for assessing IT security and suggesting improvements.
- Identified that the company was using an outdated password hashing algorithm by cracking passwords using Hashcat.
- Wrote a memo for my supervisor summarizing a range of proposed uplifts to increase the company's level of password protection including extending minimum password length and using a dedicated hashing algorithm.

PROJECTS

Car Rental Management System

- Implemented core features such as car rental tracking, customer management, pricing details, and rental history for both admin and user interfaces, ensuring smooth and efficient operations.
- Collaborated with the development team to deliver a fully functional system, enabling the admin to view car rental status, customer details, and pricing, while allowing customers to view and manage their rentals.

EDUCATION & CERTIFICATIONS

Bachelor Of Engineering

Computer Science Engineering - 6.83 (CGPA)
Neil Gogte Institute Of Technology
2020 - 2024.

Intermediate

MPC - 69.1%
Narayana Junior Collage
2018 - 2020

EXTRACURRICULAR ACTIVITIES

Captain, Cricket Team
Hyderabad Community Cricket Club

Community Volunteer

Organizer, Free Community Yoga Sessions
